

CURRICULUM VITAE

NANNO M. LENZ, LL.M.

Areas of Practice

Nanno Lenz advises clients with regard to patents as well as trademarks and designs. He is active in various technical fields with the emphasis on mechanical and process engineering, pneumatics and robotics. Nanno Lenz has particular expertise in conducting opposition proceedings and patent infringement and validity litigation. He, therefore, is frequently asked to render expert opinions and advice in patent infringement and validity matters in Germany and abroad. Nanno Lenz also advises major clients in trademark prosecution and enforcement matters all over the world.

Education and Profession

2016-2021	President of German Chamber of Patent Attorneys (PAK)
2006	Master of Laws (LL.M.)
since 2001	Board member of German Chamber of Patent Attorneys (PAK)
since 1994	Partner of Keil & Schaafhausen, Frankfurt am Main
1994	Admission as German and European Patent Attorney
1990	Degree in Mechanical Engineering (Dipl.-Ing.)
1988 - 1989	Ecole Centrale de Lyon, Lyon, France
1984 - 1990	Technische Hochschule Darmstadt, Germany
1983 - 1984	University of Minnesota, Minneapolis, U.S.A.

Personal Information

Having studied in the U.S.A., France and Germany and completing his education as a German and European Patent Attorney as well as a Master of Laws, Nanno Lenz has been focusing on the international prosecution and enforcement of patents, trademarks and designs.

Nanno Lenz is the Immediate Past President of the German Patentanwaltskammer. Amongst others, he has been President of ANIPA (Association of National Institutes of IP Attorneys) and a long time member of the Disciplinary Board of Appeal of the European Patent Office.
